Brothers and Sisters,

This District has been actively monitoring the COVID-19 situation within the Unit and the effect it has taken on our membership. We understand there is a lot of confusion and mistrust during these difficult times and it can be easy to get caught up in the “he said, she said” or the proverbial rumor mill. Over the past several weeks management and labor have collaborated on multiple daily conference calls, covering every Division in the Unit, inundating the membership with information. It has become apparent however, from the lack of input from the field, that those calls might not be the most appropriate forum for the membership to speak their minds. That being said, this District will begin holding Unit wide conference calls with its members only. This will be a COVID-19 specific forum with the opportunity to ask questions, voice your concerns or displeasures. An opportunity to speak up without the fear of retaliation. This is your opportunity to engage and get informed, we look forward to the opportunity and thank you for extreme diligence during these difficult times.

The calls are scheduled for:

4/28, 4/30, 5/2, 5/4, 5/6, & 5/8 all @ 1000

Please have your questions ready or you can also send to me, anonymously, any question you would like answered to the email or text below.

Respectfully,

Jesse Dofelmire
